In the realms of International Immigrations, clarity is a rare and elusive thing. Without the ability to see the impact of decisions, you may find that an already risky area quickly becomes complex as numbers and locations of relocating employees increase. Complete Visa and permit process management takes away the headaches of complex and ever-changing legal and compliance procedures. We at **Globexpats** act as your trusted Visa & Immigration Advisors on deploying cross-border populations while minimizing compliance risk. We do not simply manage and drive a process — we ensure that every assignment is completed in the right and transparent manner with all immigration compliances in place. We undertake Visa & Immigration services for India and globally across all continents, thus having relevant experience in this field of handling different challenges in terms of immigration compliances and requirements, substance and strategies for a case, informing the relevant immigration or business risks.

We at **Globexpats** promise to provide a detailed reporting ensuring our clients are well updated with information required for their knowledge at every stage. Our tracking activity includes applications status, visa expiry triggers and in-country compliance reporting where required. For our Global clients, we are proud to share that we provide the best services in the industry and are core specialist for different types of Indian Visas.

We at **Globexpats** take care & assist **our Foreign Nationals & their Dependents** in obtaining necessary Indian Visas such as Business / Employment (Work Permits) / Students / Tourists / Medicals / Conferences / X Visas with proper documentations in compliance with Government regulations. We follow a structured procedure ensuring 100% success ratio in our cases in a stipulated timeline. We are disciplined & compliant in our approach of handling all Immigration queries & submissions at the Indian FRRO / FRO offices across India and handle matters of clarifications & discrepancies highlighted to us related to the case. We also take care of Overseas Citizenship of India (OCI cards) applications of Indian origin nationals staying abroad.

For our Indian clients & individuals, we not only specialize in International Visas but also important matters related to Immigrations such as assistance to US EB5 & E2 Investor Visa, Permanent Residency (PR) via Investments for United Kingdom, Canada, Portugal, Greece and Cyprus. Immigration services for Permanent Residency and Citizenship for countries such as USA, Canada, United Kingdom, Australia, Portugal, Greece, Hungary, Cyprus & Grenada.
